help.*

## Who is AACF?

The Automotive Aftermarket Charitable Foundation supports people in the industry and their families during the hardest moments of their lives.

## Who We Help

If you work in the automotive aftermarket\*, we're here to help. Since 1959, AACF has supported individuals and families facing financial hardship due to unexpected adversity like:

- Floods, earthquakes, storms and fires
- Catastrophic medical conditions
- Life-changing accidents
- Devastating fatalities

## Getting Help

The process is simple and can take as little as 5 - 7 days. Once eligibility is established, complete the application. The AACF Recipient Committee will review the request, make a decision and notify the applicant. Once approved for assistance, funds will be sent to the recipient or directly to a business (such as hospitals, funeral homes or landlords).
