## Mike Dever Joins AACF Board of Trustees

**Sacramento, Calif. – February 25, 2020** – The Automotive Aftermarket Charitable Foundation (AACF) today announced the election of Mike Dever to its board of trustees. Dever is with the General Parts Company and General Manager for NAPA major accounts.

“Mike has been in the automotive aftermarket for 30 years and is well known in the industry,” said Lynn Parker, President of AACF. “He is very creative and will bring new fresh ideas helping create more awareness for the Foundation. Mike is a compassionate person bringing added strength to our already strong board of directors.”

Prior to joining NAPA, Dever spent many years in the industry with Exide Batteries, NASCAR, Inc., and Bulldawg Marketing.

“I couldn’t be more proud and excited to be part of the AACF. I’ve always admired the fine work they do for folks in our industry that have come across unexpected tragedies in their lives,” Dever said. “I look forward to doing my part to raise the visibility of the platform and getting more companies engaged.”

### ***About the Automotive Aftermarket Charitable Foundation (AACF)***

The Automotive Aftermarket Charitable Foundation (AACF) has been helping aftermarket families turn tragedy into triumph since 1959. Like the industry, AACF is driven by passion and devoted to family. It's tough to ask for help, but when someone in the aftermarket family faces profound circumstances, AACF is there when it seems like there's nowhere else to turn. As a nonprofit, this is accomplished through the support of generous donors, awareness partners and dedicated volunteers.
